Dear Future Pathways Family,

We at Pathways Academy of Technology & Design are very excited to hear that you have been selected in the lottery to attend our school for the 2018-2019 school year. We pride ourselves on our theme-based curriculum of project-based learning, technology integration, and work-based learning. Magnet Schools of America named us the top magnet high school in the USA in 2014, a Magnet School of Excellence in 2016, and NAF recognized us as a Distinguished Academy for several years because of the great work in our academy. We are pleased to hear that you will join our school and become a part of our great school community. We look forward to seeing you have a successful high school career here at Pathways.

To enroll at Pathways you must take the following next steps:

1. Parent and student must attend one of our Accepted Student Orientation and Registration Sessions at Pathways Academy of Technology & Design to complete registration paperwork. We will be holding an orientation meeting for parents at this time where you will get all the information you need and have an opportunity to ask questions. Students will also be engaged in an orientation and team-building session. Please choose one of the two sessions.

The dates of these sessions are:

- **Saturday, June 2nd at 10:00am or**
- **Wednesday, June 6th at 6:00pm**

The enclosed packet of forms should be completed ahead of time and brought to the registration session you are attending; this includes student and parent identification and proof of address.

2. Give the enclosed School Counselor/Teacher Recommendation Form and pre-addressed envelope to a counselor or teacher at your child's school. Your school counselor/teacher should return this form directly to Pathways.

If you have any questions, please contact the school at 860-695-9450.

We are looking forward to you attending Pathways, and we know you will be a great addition to our school community.

Sincerely,
