Program Highlights

The Connecticut College Goal Sunday (CGS) program is an effort by hundreds of volunteers from across Connecticut who will come together with the common goal of making sure that the process of applying for college financial aid does not become an obstacle that would keep any person from pursuing an education beyond high school. By attending a College Goal Sunday event, participants will receive free, hands-on assistance in completing the Free Application for Federal Student Aid (FAFSA), and they will walk away with the satisfaction of knowing they have accomplished one of the biggest steps in getting ready to go to college. Connecticut's CGS will take place at a number of accessible sites throughout the state. In addition to receiving assistance in filling out the FAFSA, participants will receive general information regarding financial aid programs.
